

Ashton Community Hall Scholarship

2024

The purpose of this scholarship is to help local students in our community, who are graduating from Northwestern or Redfield High School, begin the next chapter of their lives. Students are encouraged to continue their education, but this scholarship is also available to those who choose to enter the work force after graduation. Community service is very important to our committee, as it is what helps keep small communities, like ours, active. Please tell us about yourself and how receiving the Ashton Community Hall Scholarship would help you.
