## NEW South Dakota High School Graduation Requirements (Class of 2021 & Beyond)

The new graduation requirements are structured in a similar way to college majors. All students pursue the same diploma but in addition to meeting the high school diploma course requirements, students may also earn advanced endorsements. These advanced endorsements are similar to college majors, signaling the coursework they have taken has a specific focus. Using that same idea, a student might have one major, a double major or even a triple major! Let's take a look at what the new high school graduation requirements might look like for Redfield High School students.

## **National Honor Society / National Junior Honor Society**

The National Association of Secondary School Principals sponsors the National Honor Society and National Junior Honor Society. Membership in local chapters is an honor bestowed upon a student. Selection for membership is by a five member Faculty Council and is based on outstanding scholarship, character, leadership, and service. Membership in the Redfield Chapter of National Honor Society (NHS) is restricted to juniors and seniors. Membership in the National Junior Honor Society (NJHS) is restricted to second semester seventh graders, eighth graders and ninth graders.

### **Selection Procedure:**

Students with an accumulated grade point average of 3.50 or above (NHS) and 3.25 or above (NJHS) will have met the criteria for outstanding scholarship. These students will have the opportunity to fill out an application to the NHS in the spring of each school year. Students will have one week to fill out the application. The five member Faculty Council will then review applications with the following definitions in mind:

### **Leadership:**

Students must document leadership qualities. Holding an elective office of a school sponsored activity, being a captain or co-captain of an athletic team, being a strong leader in the classroom, promoting school ideals and loyal school attitude in an exemplary way, or effectively contributing ideas that improve the civic life of the school are among items that may be considered.

### **Service:**

Service items must be documented in the application and may include mentoring, church and civic organization service, and any actions undertaken by the student which are done with or on the behalf of others without any direct financial or material compensation.

### **Character:**

Based on the Six Pillars of Character that include respect, responsibility, trustworthiness, fairness, caring, and citizenship. Administrative and professional records may be used to aid in determining character. Faculty Council judgements should be free of speculation and rumor. No "single" event should prohibit membership into the NHS.

Determination of membership will be determined through a rubric process based on the application and other official school documents and the Faculty Council recommendation.

## **STUDENT CODE OF CONDUCT**

### **RULES FOR ALL SCHOOL ACTIVITIES, CONTESTS, DANCES, AND EVENTS**

#### **Philosophy:**

The Redfield School District encourages all students to participate in activities due to the benefits derived from such participation. Because participation in student activities exposes students to greater public exposure and scrutiny, students are expected and encouraged to bring credit rather than discredit to the school whose programs make such participation possible.

It shall therefore be the policy of the School District that:

1. the student's participation in student activities is a privilege rather than a right.
2. those students who voluntarily exercise the privilege of participating in student activities shall consequently be expected to exemplify high standards of behavior.
3. local and state (SDHSAA) Eligibility Rules will be followed.

During the school year and the season of practice, play rehearsal, or activity--regardless of the quantity - a student shall not use or consume, have in possession, buy, sell, or distribute alcohol, tobacco, e-cigarettes, vape pens and any other vaping devices, marijuana or any other controlled / mood altering substance or commit a crime against any person or property. It is not a violation for any student to be in possession of a legally defined drug specifically prescribed for the student's own use by his/her doctor.

#### **Violation Enforcement**

Training rule violations can only be processed in the following ways: self-admittance, a written statement by an adult, or notification from law enforcement. Any infraction during the summer months that is reported to the school by law enforcement will result in policy enforcement at the beginning of the next school year.

#### **Definition of Activity**

Activities that fall under the rules and guidelines set forth in this section are as follows: all athletic participation, FBLA, FCCLA, FFA, Cheerleading (squad and competition), Student Council, school sponsored dances including prom, co-curricular activities not part of the curriculum (marching band performance, music contests, etc.), and other school sponsored events and activities not associated with the curriculum. Items not included are graduation ceremony, band and chorus concerts that are included in the curriculum, and field trips or other curriculum items.

#### **Procedure for Reporting Incident**

A staff member who suspects or observes any of the above violations, on the school grounds, or surrounding areas during the school day or during school activities, will be required to refer the violation to the administration.

Procedure for staff to follow will be:

1. Report to administration any violations observed.
2. Make a statement to the sheriff's office.

A parent/guardian or any other adult member of the community may also refer the violation to the administration. The administration may then report the violation to the sheriff's office and investigate the alleged allegation.

Parent/guardian, staff members, or any other adult member of the community observing or suspecting any of the above violations, off school grounds, after the school day and not during a school activity, may report the violation to the sheriff's office or school official, as a concerned citizen. The school and the sheriff's office will be in contact with each other for any violations dealing with extra or co-curricular activities.

## Activities: Rules and Regulations

1. The student(s) involved in an alleged violation will be given an informal conference with the Principal and/or Activities Director to respond to the allegation. This meeting and decision will take place within five school days of when the Principal is notified of the allegation.
2. Upon suspending a student from activities, if possible, the Principal and/or Activities Director shall provide oral notice of the suspension to the student's parent or guardian. The Principal and/or Activities Director shall also provide written notice to the parents or guardian.
3. In the absence of the Principal and/or Activities Director, an appointed designee will work with the violation.
4. In order for the missing of an event to count towards a violation the student must complete the activity in good standing.
5. Violation of this policy will be cumulative over a three-year period in middle school or a two-year period in high school (6-8, 9-10, 11-12).
6. If a student/athlete comes forward with an admission of guilt prior to a determination being made by school officials the suspension period will be reduced to shorter of days or number of events.

  - c. The student will remain ineligible during the appeal process.

### **Activities Causing Absences During the School Day**

If taking part in an activity necessitates a student being absent during the school day, it is the student's responsibility to make up his/her work. Students may not be excused from class, if in the opinion of an instructor, they have not made an honest effort regarding assignments or if student is considerably behind in a particular course. Classwork is due as if the student was in class the day they were gone for the activity. Classwork originally due on the day of the activity is due prior to leaving. Classwork due the day after the activity is still due the day after. Students do not get an extra day to make-up work when they are gone for a school activity.

### **Athletic Participation in Two Sports During the Same Season**

Athletes wishing to participate in two sports during the same season must go through the following process:

1. A pre-season meeting must be scheduled by the parent/guardian with the Activities Director.
2. Persons attending the meeting should include parent/guardian, student, head coaches for both sports, and Activities Director.
3. At the meeting a season plan must be developed that must contain the following items:
  - a. Declaration of major sport (upon the occurrence of any conflict, the major sport will take precedence).
  - b. A season practice and game schedule must be established.
  - c. All other conflicts should be discussed and solutions documented in plan.

### **ACTIVITY TICKETS**

Students in grades 7-12 may purchase an activity ticket. The activity ticket allows admittance to varsity athletic contests, school plays, band concerts and vocal concerts. It does not admit students to any tournaments. If a student loses his/her activity ticket, a duplicate may be purchased.

### **AIDS**

The Redfield School District has adopted a HIV/AIDS Policy that is currently in effect. A multi-page policy may be reviewed or obtained from the High School Office.

### **ANNOUNCEMENTS**

Announcements are posted on the school web page.

## **ASSIGNMENT COMPLETION**

The Redfield School District believes that our students need to learn and achieve at a proficient academic level. In order to reach proficiency, students are expected to complete all classroom assignments. If a student fails to complete an assignment, he/she will be subject to the following consequences:

1. Student will receive one (1) free pass per class per semester where no detention will be given but the grade deduction still effects the assignment.
2. Student will receive a 30-minute detention and grade deduction per teacher policy.
  - a. Date and time of detention will be determined by the teacher.
3. Student will notify their parent/guardian by phone of the unfinished assignment.
4. Assignments that are three days late will result in a zero recorded in the gradebook and Saturday School.

## **ATTENDANCE**

Education is a state function under the control of the state legislature. It is compulsory that all children from age six and not exceeding age 18 regularly attend school until reaching the age of 18 years. Since some students attending senior high school are beyond the age requirements specified by the South Dakota statute of compulsory school attendance, the basic responsibility for regular school attendance lies with the students and with the parent/guardian. The role of the school in attendance matters is one of cooperation, counseling, and reporting to the parent/guardian. Parent/guardian cooperation is expected.

The absence policy is based on the fact that something important happens in class every day and that the activity or interaction with teacher and students can never be exactly duplicated. Attendance is a part of each student's permanent record. It is one of the major concerns of an employer. A casual attitude toward regular school attendance extends into adulthood.

It is the duty of school officials to know the whereabouts of students during school hours. Students may be excused for specific purposes only through the Principal's office. Attendance is taken in each class and study hall and a record is kept of absences from each class. Days of absence will be accumulated and recorded on report cards each nine weeks and on permanent school records at the end of each school year.

The following regulations apply to all students and pertain to absences of all types. Administrative discretion will be used when necessary.

Absenteeism: Absence from school during regularly scheduled school hours.

1. Excused absences will count toward the ten-day absence policy.
2. The only absences excused are:
  - a. Personal illness
  - b. Family emergency (death, serious illness)
  - c. Funeral
  - d. Dental or medical appointments – confirmed with a note from the doctor
    1. In specific cases that may interfere with competing safely, a note from the physician that communicates, "PARTICIPATION IS ALLOWED" to participate in extracurricular activities (games / events / concerts and practices) will be required.
  - e. Attending a Principal designated, school sponsored activity as a non-participant. When possible students should notify teachers in advance of absence.
  - f. Parent/guardian request: An absence, when required by the family, upon request by the parent/guardian and approved by the Principal. All such absences will be counted as one-for-one. Students may be excused for family vacations or to attend South Dakota High School Activities district, regional, and state events when accompanied by the parent/guardian(s) or another adult designated by the parent/guardian with prior notification and approval of the administration. Assigned lessons and class discussions for the duration of the parental request absence become the responsibility of the student and the parent/guardian and

should be made up in advance or immediately upon return to school whenever possible. If a student is failing a course, the parent/guardian is expected to contact the teacher prior to the student absence.

- g. College visitation: A maximum of two days per school year is allowed for juniors and seniors, which must be taken prior to the end of the third quarter of classes. If special circumstances exist, visitation days during the fourth quarter may be cleared by the Principal. College visitation requests made less than three days prior to the actual visit may not be granted. Students must fill out both a college day sheet and a blue sheet before using visitation days. The Principal's office must clear all visits and reserves the right to withhold visitation days. The Principal reserves the right to limit the number of students allowed to use a college visitation day to four (4) for any given day. As with all absences, parent/guardian verification is needed. The one-day for juniors and the two days for seniors will not count towards the 10-day attendance policy. Any days thereafter will be counted as an excused absence. Any abuse of a college visitation day will result in an unexcused absence.
3. If a student is expected to be absent, a parent/guardian should call the school between 7:45 and 9:00 a.m. If no call is received by 9:00 a.m., the school will call the home and make every effort to contact a parent/guardian to verify the absence.
  - a. A written excuse is not necessary if a phone call has been made by the parent/guardian.
  - b. If no contact is established with parent/guardian on the day of the absence, this absence will be recorded as unexcused or truant.
  - c. If parent/guardian is unavailable on the day of the absence, a call must be received before 9:00 a.m. the following morning to be excused.
4. A student shall not leave school during the school day without reporting to the Principal's office and obtaining permission prior to the absence. Failure to report to the office shall result in an unexcused absence or truancy.
5. If a student becomes ill while in school, he/she shall report to the nurse's/Principal's office. An attempt will be made to contact a parent/guardian before allowing the student to go home. Whenever a parent/guardian gives the school permission to send a child home unattended, the parent/guardian assumes the responsibility for the safety and well-being of the student. All students will be asked to list two (2) additional people whom the school may call if contact cannot be made with either parent/guardian.
6. Perfect attendance recognition is accorded those students who are present and on time every day for the entire year.
7. In order for the student to compete in an extracurricular activity, the student must be in class for the entire day of that activity unless approved by the Principal. In order for students to travel with the team to an extracurricular activity, the student must be in class during the last three (3) periods of the day unless approved by the Principal. A violation of this rule will be considered truancy.
8. In case of an excused absence, the student shall make up work and receive full credit. Students will be given as many school days as they were absent plus one additional school day to make up work for full credit. It will be the sole responsibility of the student to make arrangements with the teacher for assignments and class activities missed during a parental request absence. If a grading period falls within the allowed time to make up work due to an absence, an "incomplete" shall be recorded. Incompletes become a "failure" if not made up within time allowed. Teachers may extend deadlines under unusual circumstances.

All absences, excused or unexcused, will be processed as follows:

1. After being absent five (5) times from any class during a semester, a letter will be sent to the parent/guardian stating this fact. The letter(s) will stress the importance of attendance in school achievement. The parent/guardian will also be informed of the consequences of additional absences.
2. When a student has been absent from any class eight (8) times during a semester:
  - a. the student and parent/guardian will be notified by the office to meet with the Principal and a member of the Student Assistance Team.

3. When a student has been absent from any class ten (10) times during a semester. He/she:
  - a. may lose credit in that course and may be dropped from the course with an "F" recorded.
  - b. may be referred to the Board of Education for long-term out-of-school suspension in the event a student no longer has at least three (3) valid classes.
  - c. A notification is given to the student, their parent/guardian, and the State's Attorney's office stating concerns of habitual absenteeism.
4. Exceptions to the above policy are:
  - a. For excused absences 10-15, the student would be given the option of making up time as designated by the Principal.
  - b. Grouping. Grouping is the combining of absences because of extended illnesses or other legitimate reasons. Student/parent must arrange to meet with the Principal to discuss the grouping of absences. Grouping will take place only if a student exceeds nine (9) absences and will only return a student's attendance back to nine (9).
  - c. Any unexcused absences, in-school, or out-of-school suspension may automatically exclude a student from grouping absences.
5. Absences will be counted in the following manner:
  - a. Participating at school sponsored activities count as exempt absences. Exempt absences are counted as a day of attendance. This includes athletic contests, music, oral interp, field trips, and any other activity approved by the school administration or counselor.
  - b. Absences due to prolonged illness, hospitalization, counseling or a series of medical treatments may be grouped whenever a physician supports the condition.
  - c. Absences due to bereavement or serious illness in the student's family may be grouped.
  - d. Students may be excused and counted exempt for school attendance up to five (5) days per year to attend events of state or nationally recognized youth programs of educational value. These are not school related activities.
6. All other absences, excused or unexcused, will count one-for-one days missed (vacations, hunting trips, tournaments, work, truancy, parent/guardian requests, etc.).
7. Students must be in attendance at least 25 minutes of the period or at least 10 minutes of homeroom in order to be considered present.
8. Extenuating circumstances will be considered by the administration. Students may be excused for any other exceptional reason with approval by the Administration (Juvenile Detention Center, New Beginnings, Charter, Child Abuse Center, and severe weather as to endanger the health or safety of the student).
9. In the event a student needs transportation while at school, the school with the parent/guardian will review such transportation arrangements. The solicitation of transportation by the student with another student will usually not be approved.

**Tardiness:** Failure to be at the assigned workstation when the final bell rings.

1. Any student who is late arriving for the first period class must report to the Principal's office for an admit slip to enter class or study hall. Tardiness between classes will be handled by the individual teachers and administration (See Discipline, Point System starting on page 10).
2. Excused Tardies for Medical or Emergency Situations: Any student late in arriving or leaving early up to 20 minutes for any medical situation or emergency needs, if approved by the Principal, will not be recorded.

**Unexcused Absences:** Any absence not approved by the administration.

1. Students with unexcused absences will receive a zero (0) for work due during the period(s) missed plus points and detention as described under the Discipline Point System starting on page 15.

**Truancy:** Absence from school without permission from parent/guardian and Principal.

1. District truant officer will be notified.
2. One day, or any part thereof, equals one violation.

## **AUDITORIUM**

Students will be seated alphabetically according to classes in the auditorium. Sit in your assigned seats at designated programs and assemblies. Students are expected to follow RARE (Responsible, Always Safe, Respectful, and Engaged) expectations in the auditorium.

## **CHURCH NIGHT**

Redfield School District will not schedule activities on Wednesday evenings to allow students to participate in church youth programs.

## **CLASS SCHEDULE CHANGES**

- A. Plan to take the classes for which you register. Course descriptions are available from the counselor and each teacher.
- B. All class changes will take place during the first week of the semester in which the class begins. After five school days no adds or drops will be accepted.
- C. Each student in grades 9-12 must carry six (6) classes, not including homeroom or choir.

## **COMMENCEMENT**

Students who are seniors and complete the necessary course work prescribed by the State Department of Education and the Redfield School District are eligible to participate in the graduation ceremonies. Any violation of school rules during the last week of school and up through graduation practice as well as unfulfilled Saturday School obligations for seniors may result in revocation of privileges to be part of the commencement program.

## **DANGEROUS WEAPONS POLICY**

1. Teachers reserve the right to independently handle most discipline incidents in a professional manner as determined by the Principal. Samples of acceptable teacher consequences include before or after school detention, assigning of extra work, loss of privileges, special seating arrangements, and many other acceptable consequences. Teachers may write a referral for an incident and turn it over to the Principal. Certain discipline incidents require a referral from the teacher. Referrals will be handled according to the discipline point system discussed below. Teachers are required to contact parents/guardians in regards to continuous discipline infractions.
2. Five (5) Point System - All points are combined and a running total is documented for the semester.
  - a. Each student starts at zero points every semester.
  - b. Students may be assigned points and/or other consequence(s) by the Principal for any referral.
  - c. First five (5) points equals a half day of "Saturday School."
  - d. Each additional five (5) points per semester equals a full day of Saturday School.
  - e. When a student reaches 30 total points the administration shall suspend, in-school suspend, short-term out-of-school suspend, with possible loss of credit.

## **TOBACCO, VAPING, ALCOHOL, AND OTHER DRUGS**

The School Board is committed to promoting the health, welfare, and safety of the students who attend the district's schools. Tobacco, alcohol and other drug use (Referred to from hereon as TAOD use) is wrong and harmful. TAOD use can interfere with a student's ability to learn and function responsibly in the school setting and community, as well as destroy the health and well-being of an individual. The school community recognizes TAOD use as dangerous and is committed to discouraging this behavior and to encouraging young people to choose a drug-free lifestyle. The following document outlines the district's policy on student use of tobacco, vaping, alcohol and other drugs in the school district and school-related events. This policy applies to:

1. Premises owned, leased or maintained by the school district.
2. All school-related activities on and off campus.
3. Vehicles used to transport students to and from school or at other activities.
4. Vehicles parked on school property.

A student shall not possess, use, distribute, transfer, conceal, sell, attempt to sell, deliver, or be under the influence of nicotine based devices, tobacco, alcohol, and other drugs, materials/substances represented to be a drug or controlled / mood altering substance, or chemical substances which affect psychological functions or affect the educational system of the school. Students shall not engage in TAOD use or abuse nor possess paraphernalia specific to the use of chemicals.

Students who use prescription drugs authorized by a licensed physician do not violate this policy if the students conform to the prescription and appropriate school policies.

The suspension of a student who completes five hours of a drug/alcohol/tobacco/vaping education program under the direction of the prevention coordinator and/or a certified or licensed addiction counselor or licensed physician trained in chemical dependency and recommended program, if any, will be

## **WEEKLY ACADEMIC ELIGIBILITY**

The purpose of the Weekly Academic Eligibility Policy is to promote academic success and individual responsibility.

Redfield Middle School and High School students must be passing all classes to a level and satisfaction of the teacher to be eligible for participation in co-curricular/extracurricular activities. A probation/ineligibility list will be published weekly.

### Policy Guidelines:

1. A student will be on probation for two weeks following notification of a failing or non-satisfactory grade.
2. A student is either on probation or ineligible for one week, from Tuesday morning through Monday night.
3. When a student is put on the probation list, he/she will continue to participate in activities, contests and events as normal. Probation is a warning to a student to bring his/her grades up.
4. A student becomes ineligible when his/her name appears on the list for three or more consecutive weeks.
5. When a student becomes ineligible, he/she will continue to attend practices, but will not participate in any school activity, contest or event. The student may ride with the team / group as long as no school is missed.
6. The teacher may, with the approval of the Principal, immediately declare a student ineligible if special circumstances exist. Parents/guardians and students will be notified as soon as possible.
7. BAND & CHORUS EXCEPTION: Student participation at ball games and local concerts is part of their grade. Therefore Band & Chorus members will be excluded from the Academic Eligibility policy in these instances. Out of town Band and Chorus activities are included as part of the eligibility policy.
8. Weekly academic eligibility will begin the third week of each semester and continue throughout the semester. Eligibility will be based on the semester grade.
