National Honor Society / National Junior Honor Society

The National Association of Secondary School Principals sponsors the National Honor Society and National Junior Honor Society. Membership in local chapters is an honor bestowed upon a student. Selection for membership is by a five member Faculty Council and is based on outstanding scholarship, character, leadership, and service. Membership in the Redfield Chapter of National Honor Society (NHS) is restricted to juniors and seniors. Membership in the National Junior Honor Society (NJHS) is restricted to second semester seventh graders, eighth graders and ninth graders.

Selection Procedure:

Students with an accumulated grade point average of 3.50 or above (NHS) and 3.25 or above (NJHS) will have met the criteria for outstanding scholarship. These students will have the opportunity to fill out an application to the NHS in the spring of each school year. Students will have one week to fill out the application. The five member Faculty Council will then review applications with the following definitions in mind:

Leadership: Student's must document leadership qualities. Holding an elective office of a school sponsored activity, being a captain or co-captain of an athletic team, being a strong leader in the classroom, promoting school ideals and loyal school attitude in an exemplary way, or effectively contributing ideas that improve the civic life of the school are among items that could be considered.

Service: Service items must be documented in the application and may include mentoring, church and civic organization service, and any actions undertaken by the student which are done with or on the behalf of others without any direct financial or material compensation.

Character: Based on the Six Pillars of Character that include respect, responsibility, trustworthiness, fairness, caring, and citizenship. Administrative and professional records may be used to aid in determining character. Faculty Council judgements should be free of speculation and rumor. No "single" event should prohibit membership into the NHS.

Determination of membership will be determined through a rubric process based on the application and other official school documents and the Faculty Council recommendation.

ACTIVITIES

RULES FOR ALL SCHOOL ACTIVITIES, CONTESTS, DANCES, AND EVENTS

Philosophy:

The Redfield School District encourages all students to participate in activities due to the benefits derived from such participation. Because participation in student activities exposes students to greater public exposure and scrutiny, students are expected and encouraged to bring credit rather than discredit to the school whose programs make such participation possible.

It shall therefore be the policy of the School District:

1. That the student's participation in student activities is a privilege rather than a right.
2. Those students who voluntarily exercise the privilege of participating in student activities shall consequently be expected to exemplify high standards of behavior.
3. Local and state (SDHSAA) Eligibility Rules will be followed.

During the school year and the season of practice, play rehearsal, or activity--regardless of the quantity - a student shall not use or consume, have in possession, buy, sell, or distribute alcohol, tobacco, e-cigarettes, vape pens and any other vaping devices, marijuana or any other controlled / mood altering substance or commit a crime against any person or property. It is not a violation for any student to be in possession of a legally defined drug specifically prescribed for the student's own use by his/her doctor.

Violation Enforcement

Training rule violations can only be processed in the following ways: self admittance, a written statement by an adult, or notification from law enforcement. Any infraction during the summer months that is reported to the school by law enforcement will result in policy enforcement at the beginning of the next school year.

Definition of Activity

Activities that fall under the rules and guidelines set forth in this section are as follows: all athletic participation, FBLA, FCCLA, FFA, Cheerleading (squad and competition), Pep Club, Student Council, school sponsored dances including prom, co-curricular activities not part of the curriculum (marching band performance, music contests, etc.), and other school sponsored events (ex. Dodgeball, Homecoming Dance, Prom and Snow Ball) and activities not associated with the curriculum. Items not included are: graduation ceremony, band and chorus concerts that are included in the curriculum, and field trips or other curriculum items.

Procedure for Reporting Incident

A staff member who suspects or observes any of the above violations, on the school grounds, or surrounding areas during the school day or during school activities, will be required to refer the violation to the administration.

Procedure for staff to follow will be:

1. Report to administration any violations observed.
2. Make a statement to the sheriff's office.

A parent/guardian or any other adult member of the community may also refer the violation to the administration. The administration may then report the violation to the sheriff's office and investigate the alleged allegation.

Parent / guardian, staff members, or any other adult member of the community observing or suspecting any of the above violations, off school grounds, after the school day and not during a school activity, may report the violation to the sheriff's office or school official, as a concerned citizen. The school and the sheriff's office will be in contact with each other, for any violations dealing with the extra or co-curricular activities.

Activities: Rules and Regulations

- A. The student(s) involved in an alleged violation will be given an informal conference with the Principal and/or AD to respond to the allegation. This meeting and decision will take place within five school days of when the principal is notified of the allegation.

Activities Causing Absences During the School Day

If taking part in an activity necessitates your being absent during the school day, it is the student's responsibility that his/her work is made up. Students may not be excused from class, if in the opinion of an instructor, they have not made an honest effort regarding assignments or if student is considerably behind in a particular course.

Athletic Participation In Two Sports During the Same Season

Athletes wishing to participate in two sports during the same season must go through the following process:

3. At the meeting a season plan must be developed that must contain the following items:

ACTIVITY TICKETS

Students in grades 7-12 may purchase an activity ticket. The activity ticket allows admittance to varsity athletic contests, school plays, band concerts and vocal concerts. It does not admit students to any tournaments. You will also receive the Pheasant Call, which is the school paper. If a student loses his/her activity ticket, a duplicate MAY BE PURCHASED.

AIDS

The Redfield School District has adopted a HIV/AIDS Policy that is currently in effect. A multi-page policy may be reviewed or obtained from the High School Office.

ANNOUNCEMENTS

Announcements are emailed to all rooms and posted several places around the school. Announcements are also posted on the school web page (address on front cover) and select announcements on cable channel 7 daily. If anyone has an announcement which they wish to have read, write it out, sign it, and turn it in to the secretary no later than 8:00 a.m. If the announcement concerns a school activity, you must have the sponsoring faculty member initial it. If the announcement is not initialed, it will not appear. For other cable channel 7 community announcements please contact Peggy Roseland at the school.

Assignment Completion

The Redfield School District believes that our students need to learn and achieve at a proficient academic level. In order to reach proficiency, students are expected to complete ALL classroom assignments. If a student fails to complete an assignment, he/she will be subject to the following consequences:

- Students will receive one (1) free pass per class per semester where no detention will be given but the grade deduction still effects the assignment.
- Student will receive a 30 minute detention and grade deduction per teacher policy.
 - Date and time will be determined by the teacher.
- Student will notify their parent/guardian by phone of the unfinished assignment.
- Assignments that are three days late will result in a zero recorded in the gradebook and Saturday School.

JUNIOR HIGH – Failure to complete all assignments will constitute an incomplete. Failure to make up the incomplete will result in a failing grade for the course. (See Student Handbook page 16.)

ATTENDANCE

Education is a state function under the control of the state legislature. It is compulsory that all children from age six and not exceeding age 18 regularly attend school until reaching the age of 18 years. Since some students attending senior high school are beyond the age requirements specified by the South Dakota statute of compulsory school attendance, the basic responsibility for regular school attendance lies with the students and with the parent/guardian. The role of the school in attendance matters is one of cooperation, counseling, and reporting to the parent/guardian. Parent/guardian cooperation is expected.

The absence policy is based on the fact the something important happens in class every day and that the activity or interaction with teacher and students can never be exactly duplicated. Attendance is a part of each student's permanent record. It is one of the major concerns of an employer. A casual attitude toward regular school attendance extends into adulthood.

It is the duty of the school officials to know the whereabouts of students during the school hours. Students may be excused for specific purposes only through the principal's office. Attendance is taken in each class and study hall and a record is kept of absences from each class. Days of absence will be accumulated and recorded on report cards each nine weeks and on permanent school records at the end of each school year.

The following regulations apply to all students and pertain to absences of all types. Administrative discretion will be used when necessary.

- A. Absenteeism: Absence from school during regularly scheduled school hours. Excused absences will count toward the ten day absence policy.
1. Generally, the only absences excused are:
 - a. Personal illness
 - b. Family emergency (death, serious illness)
 - c. Funeral
 - d. Dental or medical appointments – confirmed with a note from the doctor **To participate in extra-curricular activities (games / events / concerts and practices) you must bring a note from the physician that “ALLOWS PARTICIPATION”.**
 - e. Attending principal designated school sponsored activities as a non-participant. When possible students should notify teachers in advance of absence.
 - f. **Parent/guardian request:** An absence when required by the family, upon request by the parent/guardian and approved by the principal. All such absences will be counted as one-for-one. Students may be excused for family vacations or to attend South Dakota High School Activities district, regional, and state events when accompanied by the parent/guardian(s) or another adult designated by the parent/guardian with prior notification and approval of the administration. Lessons assigned and class discussions for the

- duration of a parental request absence becomes the responsibility of the student and the parent/guardian and should be made up in advance or immediately upon return to school whenever possible. If a student is failing a course, a parent/guardian request will be granted providing a student makes up the time after school working on that subject.
- g. **College visitation:** A maximum of two days per school year is allowed for juniors and seniors, which must be taken prior to the end of the third quarter of classes. If special circumstances exist, visitation days during the fourth quarter may be cleared by the principal. College visitation requests made less than three days prior to the actual visit may not be granted. Students must fill out both a college day sheet and a blue sheet before using visitation days. The principal's office must clear all visits and reserves the right to withhold visitation days. The principal reserves the right to limit the number of students allowed to use a college visitation day to four (4) for any given day. As with all absences, parent/guardian verification is needed. The one-day for juniors and the two days for seniors will not count towards the 10-day attendance policy. Any days thereafter will be counted as an excused absence. Any abuse of a college visitation day will result in an unexcused absence.
2. If a student is expected to be absent, a parent/guardian should call the school between 7:45 and 9:00 a.m. If no call is received by 9:00 a.m., the school will call the home and make every effort to contact a parent/guardian to verify the absence. A written excuse is not necessary if a phone call has been made by the parent/guardian. If no contact is established with parent/guardian on the day of the absence, this absence will be recorded as unexcused or truant. (If parent/guardian is unavailable, a call must be received before 9:00 a.m. the following morning to be excused.)
 3. A student shall not leave school during the school day without reporting to the principal's office and obtaining permission prior to the absence. Failure to report to the office shall result in an unexcused absence or truancy.
 4. If a student becomes ill while in school, he/she shall report to the nurse's/principal's office. An attempt will be made to contact a parent/guardian before allowing the student to go home. Whenever a parent/guardian gives the school permission to send a child home unattended, the parent/guardian assumes the responsibility for the safety and well being of the student. All students will be asked to list two (2) additional people whom the school may call if contact cannot be made with either parent/guardian.
 5. Perfect attendance recognition is accorded those students who are present every day for the entire year.
 6. In order for students to compete in an extra curricular activity, the student must be in class for the entire day of that activity unless approved by the principal. In order for students to travel with the team to an extra curricular activity the student must be in class during the last three (3) periods of the day unless approved by the principal. A violation of this rule will be considered truancy.
 7. In case of an excused absence the student shall make up the work and receive full credit. Students will be given at least as many school days as they were absent plus one additional school day to make up the work for full credit. It will be the sole responsibility of the student to make arrangements with the teacher for assignments and class activities missed during a parental request absence. If a grading period falls within the allowed time to make up work due to an absence, an "incomplete" shall be recorded. Incompletes become a "failure" if not made up within time allowed although teachers may extend deadlines under unusual circumstances.
 8. All absences, excused or unexcused, will be processed as follows:
 - a. After being absent five (5) times from any class during a semester, a letter will be sent to the parent/guardian stating this fact. The letter(s) will stress the importance of attendance in school achievement. The parent/guardian will also be informed of the consequences of additional absences.
 - b. When a student has been absent from any class ten (10) times during a semester, he/she may lose credit in that course and may be dropped from the course with an "F" recorded. A student may be referred to the Board of Education for long term out-of-school suspension in the event a student no longer has at least three (3) valid classes.
 - c. Exceptions to the above policy are:
 - * For excused absences 10-15, the student would be given the option of making up time as designated by the principal.

- * Grouping. Grouping is the combining of absences because of extended illnesses or other legitimate reasons. Students/parent should arrange to meet with the principal to discuss the grouping of absences. Grouping will take place only if a student exceeds nine (9) absences and will only return a student's attendance back to nine (9).
 - * Any unexcused absences, in-school, or out-of-school suspension may automatically exclude a student from grouping absences.
- d. Absences will be counted in the following manner:
- * Participating at school sponsored activities count as exempt absences. Exempt absences are counted as a day of attendance. This includes athletic contests, music, oral interp, field trips, and any other activity approved by the school administration or counselor.
 - * Absences due to prolonged illness, hospitalization, counseling or a series of medical treatments may be grouped whenever a physician supports the condition.
 - * Absences due to bereavement or serious illness in the student's family may be grouped.
 - * Students may be excused and counted for school attendance as exempt up to five (5) days per year to attend events of state or nationally recognized youth programs of educational value. These are not school related activities.
 - * All other absences, excused or unexcused, will count one-for-one days missed. (vacations, hunting trips, tournaments, work, truancy, parent/guardian requests, etc.)
 - * Students must be in attendance at least 25 minutes of the period or at least 10 minutes of homeroom in order to be considered present.
- d. Extenuating circumstances will be considered by the administration. Students may be excused for any other exceptional reason with approval by the Administration. (Detention Center, New Beginnings, Charter, Child Abuse Center, and severe weather as to endanger the health or safety of the student.)
9. In the event a student needs transportation while at school; the school with the parent/guardian will review such transportation arrangements. The solicitation of transportation by the student with another student will usually not be approved.
- B. Tardiness: Failure to be at the assigned workstation when the final bell rings.
1. Any student who is late arriving for the first period class must report to the principal's office for an admit slip to enter class or study hall. Tardiness between classes will be handled by the individual teachers and administration. (See Discipline, Point System starting on page 10)
 2. Excused Tardies for Medical or Emergency Situations: Any student late in arriving or leaving early up to 20 minutes for any medical situation or emergency needs, if approved by the principal, will not be recorded.
- C. Unexcused Absences: Any absence not approved by the administration. Students with unexcused absences will receive a zero (0) for work due during the period(s) missed plus points and detention as described under the Discipline Point System starting on page 10.
- D. Truancy: Absence from school without permission from parent/guardian and principal. District truant officer will be notified. One day, or any part thereof, equals one violation.

AUDITORIUM

Students will be seated alphabetically according to classes in the auditorium. Sit in your assigned seats at designated programs and assemblies. Students please do not stand on the chairs. We do hope that our students accept their responsibility to help maintain the equipment and furniture during the school year by keeping feet off the seats and not sitting on the back of any of the seats.

CHURCH NIGHT

There is to be **ABSOLUTELY NO SCHEDULING** of school activities on Wednesday evenings. This allows the students to participate in the youth activity program in the church of his/her choice. Wednesday evening is commonly referred to as "CHURCH NIGHT".

CLASS SCHEDULE CHANGES

1. Plan on taking the classes for which you register. Course descriptions are available from the guidance counselor and each teacher.
2. All class changes will take place during the first week of the semester in which the class begins. After the first week no adds or drops will be accepted WITHOUT PRIOR APPROVAL FROM THE PRINCIPAL.
3. Each student in Grade 9-12 must carry six (6) classes. Not including homeroom or choir

COMMENCEMENT

Students who are seniors and complete the necessary course work prescribed by the State Department of Education and the Redfield School District are eligible to participate in the graduation ceremonies. Any violation of school rules during the last week of school and up through graduation practice as well as unfulfilled Saturday School obligations for seniors may result in revocation of privileges to be part of the commencement program.

The honors of Valedictorian, Salutatorian, Honor Graduates, and Regents Scholars are defined and explained on page 1 and 2 of this Handbook.

DANGEROUS WEAPONS POLICY

Schools should be an example of what is required regarding the observance and respect for law in society at large. Schools also must be highly conscious of the health, safety, and welfare of students, staff, and the public.

State and federal laws as well as board policy forbids the bringing of dangerous or illegal weapons to school or school sponsored activities. No dangerous weapons are permitted on any school premises, in any vehicle or a vehicle used for school purposes, or in any other building or premises used for a school function. Exceptions include weapons under the control of the law enforcement or the United States Military, starting guns used for athletic events, gun shows, and authorized supervised school training sessions for the use of firearms.

Any weapon taken from a pupil shall be reported to the pupil's parents. Weapons will be confiscated and may be reported to the law enforcement authorities. Appropriate disciplinary, legal action or both may be pursued by the building principal. Any student bringing a dangerous weapon to school can be expelled for up to twelve months. The superintendent shall have the authority to recommend to the School Board that this expulsion requirement be modified on a case-by-case basis. This policy shall be implemented in a manner consistent with IDEA and Section 504.

A dangerous weapon is defined as any firearm, airgun, knife, device, instrument, material, or substance, whether animate or inanimate, which is calculated or designed to inflict death or serious bodily harm. A "firearm" includes any weapon that is designed to expel a projectile by an explosive action.

DISRUPTIVE ITEMS

Food, candy, and beverages are allowed to be consumed only in a classroom supervised by a teacher unless approved by the principal or specific exemptions as notified. Cell phones, Ipods, MP3 players, or headphones are allowed in school but are required to be turned off, kept out of sight, and cannot be kept on the person. Cell phone, Ipods, MP3 players, or headphones use is allowed except during class time (unless otherwise instructed by the teacher). E-readers will be allowed to be used for reading books only. Any inappropriate use will fall under this policy. Any items that may be considered as a disruption or hindrance to learning in the classroom are not allowed.

DISCIPLINE

- A. Teachers reserve the right to independently handle most discipline incidents in a professional manner as determined by the principal. Samples of acceptable teacher consequences include before or after school detention, assigning of extra work, loss of privileges, special seating arrangements, and many other acceptable consequences. Teachers may write a referral for an incident and turn it over to the principal. Certain discipline incidents require a referral from the teacher. Referrals will be handled according to the discipline point system discussed below. Teachers are required to contact parents/guardians in regards to continuous discipline infractions.
- B. Five (5) Point System - All points are combined and a running total is documented for the semester.
 1. Each student starts at zero points every semester.
 2. Students may be assigned points and/or other consequence(s) by the principal for any referral.
 3. First five (5) points equals a half day of "Saturday School."

TOBACCO, ALCOHOL AND OTHER DRUGS

The School Board is committed to promoting the health, welfare, and safety of the students who attend the district's schools. Tobacco, alcohol and other drug use (Referred to from hereon as TAOD use) is wrong and harmful. TAOD use can interfere with a student's ability to learn and function responsibly in the school setting and community, as well as destroy the health and well-being of an individual. The school community recognizes TAOD use as dangerous and is committed to discouraging this behavior and to encouraging young people to choose a drug-free life-style. The suspension of a student who completes a drug/alcohol assessment from a certified or licensed addiction counselor or licensed physician trained in chemical dependency and recommended program, if any, will be commuted to three (3) days, provided the assessment and program are completed, unless good cause is shown to and approved by the administration, within twenty (20) school days.
