

## Norman Meriweather Veterinarian Scholarship Fund

The Norman Meriweather Veterinarian Scholarship Fund has been established to help Miller area students reach their goal of becoming a Doctor of Veterinary Medicine. Preference in awarding this scholarship will be given to a student who has been admitted to or is currently attending a School of Veterinary Medicine and lives in a designated area previously served by Meriweather Vet Supply. A student may apply for and receive this scholarship more than one year, depending on the number of applications received that year.

Selection is based on the applicant's grade point average, school and community involvement, written essay, and financial support needed for this scholarship. The topics for your essays are, "Why I chose Veterinary Medicine as my career" and "What is your desire to return to rural South Dakota."
