2015-2016 School Profile

School

Welcome to Redfield School District! Our school has a rich history of high academic achievement, strong extra-curricular programs, and incredible community support for education and activities. We strive to instill a work ethic and determination in our students that will help them become productive citizens as adults.

We are located in a small, but vibrant community in Spink County, at the junction of two US Highways and are less than 100 miles from two Interstate Highways. We are a small school, but pride ourselves on being able to offer educational opportunities that others schools' our size do not. We offer on campus Honors English for our sophomores and Honors and Advance Placement courses to our Juniors and Seniors in all four core content areas of Math, Science, Social Studies and English.

Our district offers a variety of elective courses in Agriculture, Business, and Family and Consumer Science. Outside of the classroom we offer a variety of opportunities for our students to participate in ranging from our athletic programs of Football, Basketball, Wrestling, Cross-Country, Track, Golf, Volleyball, Sideline Cheerleading, and Competition Cheerleading, to our clubs and activities of Band, Choir, Oral Interpretation, NHS, NJHS, Drama, Journalism/Yearbook, FFA, FCCLA, FBLA, and SADD.

Enrollment

Current Total School Enrollment: 158
