

## **Nutrition Mission**

**The Redfield Lions Club in conjunction with the Redfield Public School system is implementing a nutrition program. This program is called NURTRITION MISSION and will provide nourishment for children in need. The food will be given to the students for the weekends during the school calendar year beginning in September 2014. The need will be determined by the staff and administration of the Redfield Public School.**

The bag of food will vary slightly from week to week with 10 to 13 items in it each week. We will always have two pieces of fruit donated by Redfield Food Center. Other items could be cereal, can of Ravioli or something similar, can of vegetables, macaroni and cheese, granola type bar, cup of applesauce, fruit juice, popcorn, and oatmeal. The Lion's Club will provide 30 bags each week. The cost to provide one bag for the school year is approximately \$180. Donations are welcomed at Great Western Bank and can be made out to the Redfield Lions Club/Nutrition Mission.

For more information contact Laura Gabriel, Brenda Stover, or Kent Erickson.
